<b>Operations NCOIC</b> , FORSCOM/ USARC, Active Duty Fort Bragg, NC	2017 / 07

## **Personal Biography;**

Master Sergeant (MSG) Daniel R. Auxier was born in Providence, Rhode Island on 29 April 1979. Raised in Providence, and later moved to Lincoln, he was the first son of a professional writer Robert Auxier and a high school drama teacher Christine Auxier. Daniel also has a younger brother, four years his junior, Brian Auxier. Daniel was a gifted student from a very young age and he was accepted into the Providence Schools Gifted Program due to his exceptional IQ and natural academic potential. Daniel eventually graduated from Lincoln High School in 1997. He decided against the counsel of others to continue his formal education and instead enlisted into the United States Army in June of that year; just 2 weeks after graduation at age 18.

In September of 1997, he graduated Basic Training and Advanced Individual Training at Fort Leonard Wood as a Combat Engineer and was assigned to Bravo Company, 588<sup>th</sup> Combat Engineer Battalion located in Fort Hood, TX.

Since then, MSG Auxier has served in various duty positions across all three Army components; the Regular Army, the Army National Guard, and the United States Army Reserves in his last 20 years of service to our country. His overseas combat service and stateside garrison duties have included work on all the tactical, operational, and strategic levels, as well as, laboring for the US Army Corps of Engineers and several Multi-National Coalitions and Joint Task Forces. Daniel has participated in the notable campaigns of Operation Noble Eagle, Operation Iraqi Freedom, Operation Jump Start, and Operation Enduring Freedom; in some cases, with multiple tours. His commendations include the Defense Meritorious Service Medal, the Army Meritorious Service Medal with 1 oak leaf cluster, the Joint Service Commendation Medal, the Army Commendation Medal with 1 silver oak leaf cluster and 1 oak leaf cluster, the Joint Service Achievement Medal, and the Army Achievement Medal with 4 oak leaf clusters. He has also been awarded the Combat Action Badge for his participation in several highly kinetic combat engagements overseas and the Army Staff Identification Badge for his dutiful service to the Army Staff G3 at the Pentagon. Daniel prefers to wear the 2<sup>nd</sup> Marine Division Combat Shoulder Sleeve Insignia (Combat Patch) in duty uniform and considers his 'Order of the Combat Cavalry Spurs' (Gold Spurs) from Mosul, Iraq in 2005 and the 11<sup>th</sup> Armored Cavalry Regimented as his most prized military citation.

MSG Auxier, in July of 2017, had been assigned the duty of the S3 Operations NCOIC of the Special Troops Battalion at US Army Forces Command (FORSCOM) located at Fort Bragg, NC. This is his current duty assignment.

MSG Auxier currently resides in his home at the Anderson Creek Club and owns a small farm nearby in Spring Lake, NC with his wife, Michele Auxier. In Daniel's free time he enjoys reading and writing, cross country running, jamming on his electric guitar, and playing video games. His favorite meal is spicy General Tso's Chicken with pork fried rice and his favorite drink is anything with Jamison Whiskey in it. His ultimate career goal is to obtain the rank of Command Sergeant Major and retire receiving the prestigious Legion of Merit award. Daniel hopes to bridge the retirement gap with increased charitable organization involvement and continued civil service through elected office.
